Maintaining Financial Aid Eligibility

Limited financial aid funds are available during Summer Sessions for undergraduates who filed a 2009-10 Free Application for Federal Student Aid (FAFSA) and who are currently enrolled (or on the Planned Educational Leave Program) at UC Davis for the 2008-09 academic year, specifically spring quarter or admitted for fall 2009. In addition to completing the FAFSA, students must also complete and submit to the Financial Aid office this year’s Summer Sessions Financial Aid application, which will be available online at financialaid.ucdavis.edu beginning May 4, 2009.

Unit Requirement

To be eligible for summer aid, you must be enrolled in a minimum of six units per session of enrollment. Aid will be subject to cancellation if you drop below six units.

Cancellation/Withdrawal

If you receive financial aid and subsequently cancel or withdraw from the University, you may be required to return financial aid funds received. Return of Title IV funds received is based on published schedules and the date you officially withdrew or canceled your registration. If you cancel or withdraw, notify the Financial Aid office immediately.

Change in Enrollment

If you change your summer enrollment status, notify the Financial Aid office immediately.

Students attending other UC campuses: Your financial aid will disburse to your UC Davis student account after the Financial Aid office verifies your enrollment. You will have to use the balance of your financial aid funds to pay off summer charges at the school where
you will be enrolled (fees will not be paid automatically). The Financial Aid office will verify your progress at the end of the summer. You may be billed if you complete less than six units or if you attend a different session than what was listed on your Summer Sessions Financial Aid application.

Summer aid will pay charges that exist on your student account before your financial aid remainder check is issued.

For more information contact the Financial Aid office at undergradfinaid@ucdavis.edu or (530) 752-2390.
